# BENPRICE BIOGRAPHY

"Who is Ben Price?" you may be wondering. That's understandable... he often wonders the same thing! On any given day Ben could be Dr Phil, Steve Bracks, Arnie or Jamie Oliver. His many impersonations can be heard daily on Melbourne's Gold 104.3

Ben discovered his talent for impersonating voices at the age of 10. Since then he has developed an impressive repertoire of over 100 personas, including Dr Phil, Austin Powers, Sean Connery, John Howard, John Cleese, George W Bush, Tom Cruise, Owen Wilson, Donkey, Shrek, Puss in Boots, Homer Simpson, Mr Burns

and many more. His impersonations are exact in sound, and in full costume and make-up, Ben can also look the part, mimicking his subject's exact mannerisms.

Ben recently appeared on Channel Nine's 'A Current Affair' as Dr Phil, and on Channel Ten's 'The Panel Christmas Wrap' as Ian Thorpe. He has appeared on various other TV shows including The Footy Show, In the Limelight and The Good Friday Appeal. "Unbelievable Dr. Phil impersonator... extraordinary"  
A Current Affair, Channel 9

"Ben has an amazing ability to capture the essence of a character; how a person looks, talks, walks and feels. He could probably even reproduce how they smell, but that would probably cost extra. Ben doesn't just impersonate someone, he inhabits them."  
Tom Gleisner, Network Ten's The Panel, Working Dog.

"He mastered Dr. Phil's southern drawl and can recite his library of mawkish with alarming precision"  
The Age, Metro

"You mean he's not the real thing? - can we have our money back?... Seriously, Ben Price is a genuine superstar, we're in awe of the guy!"  
Gold 104.3, Grubby & Dee Dee Breakfast Show

"Ben Price is hilarious! His Dr Phil rendition is the genuine article."
